

Dine Out Against Hunger - Thursday, April 23, 2009

"Are you our partner yet?"

This restaurant based fundraiser is very important to the Staten Island community. It is significant for the local food service industry to work WITH the restaurant community to help feed the hungry of Staten Island. Proceeds from Dine Out Against Hunger will benefit the feeding programs of Project Hospitality, a comprehensive service provider to hungry and homeless people on Staten Island.

I am a participating member of Dine Out Against Hunger - and your partnership with this effort means a great deal to me. Partnership opportunities range from \$250 - \$750 or more. Please contact Anita Yuen either by email: anyuen@projecthospitality.org, phone (718) 448-1544 ext. 163, fax (718) 720-5476, or mail (Project Hospitality, 100 Park Avenue, Si, NY 10302) to let her know the level of partnership you are interested. This one particular event is very important to me.
